

CRTWH 'CONNECTIONS' CLINIC

Klondike Victory Stables

May 6 & 7, 2017

This new CRTWH "Connections" Clinic focuses on relaxation, rhythm, balance, communication, connection and forward movement.

It will be a combination of mini clinics on Saturday, which include starting the young horse, in hand ground work, long lining, harnessing and body work. The skills developed on Saturday provide a foundation and natural progression to a day of horsemanship under saddle on Sunday. Tennessee Walking Horse owners with experience and expertise will share their knowledge in individual areas.

This exciting weekend is combined with the CRTWH Annual General Meeting, Awards Ceremony and supper on Saturday evening.

The price is still \$120 for CRTWH members and \$160 for non-members. (Naturally stall rental for participants bringing a horse is extra.) Auditors are welcome, and current CRTWH members are invited to drop in to watch before the annual meeting.

Be a part of this unique clinic - connect with your gaited horse and connect with your gaited horse community.

For further information contact Dianne Little at 403-271-7391 or ddlittle@telus.net
